## **Bringing Construction to Your Fingertips**

### ***New Access and Opportunity for the Construction Industry***

The blueprints of the future rest on the tables of the internet and fiberoptic wires. It's no wonder that the Builders Exchanges across the state of California banded together to form one of the strongest, most reliable digital plan rooms to date. The Golden State Plan Service offers the most comprehensive plan room for 45,000 Plan Providers, Public Agencies and Private Developers to gain access to 13 of the best Plan Rooms in California, further expanding their sphere of influence and networking to the construction industry.

Regionally developed, locally operated and industry conscious, the Golden State Plan Room is the next generation of expanding the possibility of industry growth and job opportunity. With user friendly capabilities for uploading and downloading information, the Golden State Plan Service Room links the Central Valley, The Central Coast, Northern and Southern areas of California.

We have expanded your local exchange's services with the unified Golden State Plan Service, offering access to multiple sources and resources for the construction industry.

The Golden State Plan Service is a hub of information cultivated and uploaded by YOUR local exchange. Your best interests are still top of mind and are being taken care of for you on a local level. The Plan Service is user friendly, compatible on all mobile and desktop devices and easy to manage all because we know what you need!

With expanded saved searches by county, keyword, or project type, a Contractors Watch Lists that allow you to follow Agencies and / or Contractors and improved grids that allow you to plot projects an interactive location map, we have made your work flow more cohesive and mobile.
