Your local, community based Exchange has always been the best resource for the local construction industry. Now your local exchange just got BETTER and STRONGER. This new plan room combines 19 of the best exchanges in the state, decades of local plan room experience with our local relationship and resources to bring you the most comprehensive plan room available. Our plans aren't uploaded from one central location, rather each exchange cultivates its local relationships to bring the best projects from each region to our contractors.
