

Santa Maria Valley Contractors Association, Inc.

2003 Preisker Ln., Suite A, Santa Maria , CA , 93454 • (805) 925-1191 • Fax (805) 922-2983

Dear SMVCA members,

The Santa Maria Valley Contractors Association (SMVCA) has been a part of the Santa Maria Valley since 1953. Through many years, the SMVCA takes pride in being involved with the community through annual Scholarship Programs and Awards that provides help and financial assistance to qualifying students. It is through the kindness and valuable donations of the SMVCA members and organizations such as yours that we are able to raise money and ensure the continued support for these programs so that these students can further their education after high school as they pursue a career in the construction industry.

If your organization is able to participate in our scholarship program this year, please see the attached form below. If you wish to include your donation with your annual membership renewal, please indicate in the form provide below.

We appreciate your consideration, and would welcome your help in making this a successful program. Please reach out to the SMVCA with any questions you may have with the provided contact information.

Sincerely,

Vanessa Guevara
SMVCA Executive Director
